

"My name is Dr. Zulkaferi MD. and I have seen incredible results using **Prolotherapy** in my practice over the last 10 years. It consistently provides results where other treatments have failed. I have treated thousands of patients using Prolotherapy with positive outcomes. As a **Qualified medical doctor**

, I have used Prolotherapy with thousands of my patients that struggle with back pain, hip pain, neck pain, ankle pain, shoulder pain, elbow pain, knee pain, ankle pain, heel pain, foot pain, headaches and more to help them

avoid

surgery

and go on to

live pain-free.

Joint instability in Dr Zul experience is typically the underlying cause of many chronic painful conditions and arthritis. Prolotherapy can stabilize the joint and eliminate the pain and progression of degeneration..
